Greetings American Legion Family!

Thank you for everything you do for Veterans, Veteran causes, and your community! We appreciate your hard-work and dedication to the American Legion.

Who is Legion Social? We are members, volunteers, and lovers of the Legion who happen to have over 15 years experience in online marketing.

We created Legion Social because we want to **use our skills to support the cause, culture, and people who we align with.** If you're reading this, someone brought us to your attention and we thank you for your time and consideration! Here is a simple outline of what we do when you sign on with us for Social Media Advertising.
